

# ATHLETES LOOK

World class athletes know they perform at their best only if their spines are aligned well. Trapped nerves retard muscle action and increase the likelihood of injury.

Dr Brinsley Lane will be on hand for the South West Games to assist athletes reach their fullest potential.

Our office will be on call 7 days per week to ensure you get the best out of all that training and preparation.

Call our office on 97 917676 or speak to Dr Lane after hours directly on 0439960881.
